- ✓ High absorbency - up to 6 times the towel's own weight
- ✓ Practical solution without compromising on personal care

Product Description

ABENA's Airlaid Paper Towel is particularly soft and gentle on the skin and therefore an obvious solution for drying your whole body. The air-treated material makes the disposable towel extra soft and absorbent - up to six times its own weight. Although it is made of paper material, the towel has very good strength and is of good quality, which far surpasses ordinary paper. The soft material also results in less friction, which makes it ideal for delicate and extra sensitive skin.
